**Subject:** PFAS in the new -- Funding from State, Oversight Hearing for Wolverine, and MI Legal Drinking water limit

**PFAS water pollution fight gets 23.2 million from the State**

- Most significant hurdle currently is technical, samples can take up to 6 weeks to process
- Out of the \$23.2 million, funding will go towards:
  - \$1.48 million will go toward lab equipment and support for the DEQ.
  - \$7.8 million for PFAS response activities at the 14 confirmed locations
  - \$1.1 million for five additional employees at the DEQ to provide support and technical assistance
  - \$425,000 for two additional DEQ employees to do sampling for PFAS in community water supplies
  - \$4.1 million in analytical laboratory costs for the Department of Health and Human Services
  - \$1.8 million for eight employees to work on environmental health and toxicology in relation to PFAS
  - \$2.5 million to local public health departments in places experiencing potential PFAS contamination
